

**NORTH NORFOLK CLASSIC VEHICLE CLUB  
ANNUAL ST. GEORGE'S DAY RUN  
SUNDAY 21st APRIL FROM SHERINGHAM STATION CAR PARK**

This year's run will start as usual at Sheringham and we have two routes planned to reduce traffic congestion, both will end at Hoveton Hall.

We will be raising funds for the East Anglian Air Ambulance and entry is by donation with a minimum donation of £5, though many people recognise how important this charity might be to any of us at anytime and therefore gave larger donations last year - please offer what you are able. Application forms will contain a gift aid section so those who pay income tax can enable the EAAA to reclaim the tax.

We ask that you book a time slot to aim to arrive at the start; this allows us to reduce traffic jams in the town which used to occur when everyone arrived at the same time. Arrivals will start from 9am and run till 10.30 with departures approx. 45 minutes after your arrival time. The earlier that you book, the more likely you will get the time slot preferred.

The bacon butty man will be there for your breakfast and a coffee at reasonable prices before the off if needed, plus our usual large raffle and a sales tent from the EAAA.

Email bookings will help as we hope to email entry forms to you so that they can be completed beforehand and then handed in, making a quicker turn round. That will leave more time to get your breakfast and have a look round the cars. My email address is below.

As well as raising vital funds for the EAAA, the day is for enjoying the scenic route at your leisure - there are no points for early arrival at Hoveton!

We aim to close the entry list on 16<sup>th</sup> April. Please phone or email your bookings or any questions to me.

We look forward to your continued support to the cause. Thank you.
